TechieMomma Monthly Newsletter

Issue #1 – July 2025

Hello Mommas!

Welcome to the **very first edition** of the TechieMomma Newsletter — your monthly dose of inspiration, tech tips, and parenting power moves!

✨ This Month's Highlights:

- ✓ **5 Must-Have Smart Gadgets for a Busy Home**
 - ✓ **From Mom to Mompreneur: My First \$1,000 Online**
 - ✓ **How I Batch Content in Just 2 Hours/Week**
-

Tech Tip of the Month:

Use voice assistants like Alexa or Google Assistant to set daily routines — automate your coffee machine, play lullabies, or remind you to take a break. Tech isn't the enemy — *burnout is!*

Mom Spotlight:

This month's shoutout goes to **Anika from Chennai**, who launched her first Etsy store with Canva and a big dream. Let's cheer her on! 🎉

Until Next Time...

Stay smart. Stay strong. Stay YOU.

With love,

Carolene Praveena
